ABOUT WELMICA

Greetings from Welmica Laminates Pvt. Ltd., leading suppliers of luxurious decorative laminate sheets! At Welmica, we understand the need of coming up with aesthetic designs and unprecedentedly superior quality of designer laminates for your projects, and our state-of-the-art technology makes it possible for us to cater to it. We aim at revolutionising the sphere of laminate industry, and adding value to interior designing and décor by making wide collections and catalogues with sumptuous designs available to you. With designs created and curated by the best of our creators, we cater to the international market with an aim to establish global presence and eminence in our field as top laminate manufacturers in India and exclusive designer laminate manufacturing company in Morbi.

Our ever-evolving network authenticates the notability and renown throughout the industry, and we are proud of the manufacturing expertise that we have achieved through the years. Welmica takes pride in pursuing innovation and discovery while already being a well-established and adept organisation located at Morbi, Gujarat. At Welmica, we promise you sophisticated class in terms of style and appearance, and our ISI and ISO certificates ensure standard grade of quality. As Laminate Manufacturers our laminates make a perfect fit for every house décor, hotels, restaurants, motels, resorts, malls, offices and practically any corporate or residential place.

IMPORTANT NOTE
ON COLOR CONSISTENCY :

Please note that slight color variations may occur in materials produced from different manufacturing batches. To ensure uniformity and maintain a consistent appearance, it is strongly recommended to use acrylic sheets from the same batch for any single project. Additionally, the colors displayed in this brochure are for reference purposes only.
